About Company

GB Security Services is a dynamic start-up redefining the security industry. With 5+ years of experience, our management team has identified weaknesses in the local security landscape.

We specialize in cutting-edge security and personal protection services.

Our client-centric approach sets us apart, ensuring superior quality and customer satisfaction.

Our packages are specifically designed to meet the unique security needs of all our clients. As a South African-based BEE Business, we provide top-notch security services for events, corporate entities, and residences.

Compliant with the strict regulations of the Safety and Security Act, our services guarantee peace of mind. Join us for professional, quality, and customer-centric security solutions.

Our Team

MANAGEMENT

With a management team boasting over 5+ years of industry experience, we've identified the glaring weaknesses and shortcomings in the local and regional security landscape. Our mission is to redefine professionalism, quality, and customer satisfaction in the security and protection industry.

What sets us apart is our commitment to safety, order, and the preservation of life, dignity, and property in the Republic of South Africa.

As a South African-based Black Economic Empowerment Business, we specialize in providing top-notch security services for events, corporate entities, and general settings. We firmly believe in maintaining peace and safety in every environment, be it a bustling event, a private residence, or a busy commercial sector.
